

-INT. HOUSE - NIGHT

Two friends are in a room with the door closed. This is ELLIE and TEAGAN. Loud music and voices are audible from outside the room.

ELLIE

(Stressed)

How did all these people get in here?  
I thought you said it was just going  
to be a few friends! I'm shutting this  
whole thing down.

TEAGAN

Just relax Ellie. We're having a great  
time! Your parents are gone all  
weekend, it would be a crime to let  
this glorious opportunity go to waste.  
You need to loosen up.

ELLIE

I can't loosen up Teagan. My house is  
being destroyed! What if something  
gets broken? stolen? licked? You've  
seen Project X. I swear if I go out  
there and there's a midget in my oven  
I'll-

Ellie makes a frantic move to open the door but Teagan stops her.

TEAGAN

Everything is going to be just fine. I  
checked everything! Everyone is  
downstairs, the oven is off, and your  
Dad's harmonica is duct-taped to the  
inside of the chimney.

ELLIE

Why there?

TEAGAN

(nodding with satisfaction)

it's the one place nobody looks.

Ellie pauses, looking confused, trying to think of how to respond.

TEAGAN

Look, you're freaking out for no  
reason. When's the last time something

got stolen from a party at my house?

ELLIE  
(annoyed)  
We never have parties at your house.

The music suddenly goes to a high pitched sound and people boo. A second later, a new song comes on and people cheer.

TEAGAN  
(excitedly)  
I think I hear some Big Time Rush out there! Come on, let's go!

Teagan grabs Ellie's arm and drags her out the door back into the party.

INT. HOUSE - MORNING

ELLIE  
(voice-over, increasingly louder)  
Teagan, wake up. Teagan. TEAGAN!

Teagan awakes in a panic, then relaxes when she realizes it's just Ellie waking her. She is laying on the couch covered in trash. The house is completely trashed.

TEAGAN  
(groaning)  
Uggghhh. Whaaaatttt.

ELLIE  
Get up. Help me clean.

Ellie throws a trash bag at Teagan and walks into the other room. Teagan gets up, stretches, then begins picking up the trash.

TEAGAN  
(laughing)  
How many people do you think were here last night? I think I even saw that girl that goes to Millis. What's her name again? Mahogany?

Ellie screams from the other room.

TEAGAN  
No, that wasn't it.

Ellie comes running from the other room.

ELLIE  
 (panicked)  
 Where is it! The harmonica! It's gone!  
 I can't find it!

TEAGAN  
 Did you check the chimney?

ELLIE  
 (angrily)  
 YES, I CHECKED THE CHIMNEY.

Ellie drops her head into her hands with defeat.

ELLIE  
 (with anguish)  
 What am I gonna do? That harmonica was  
 signed by Rob Zombie, the greatest  
 harmonicist of all time.

TEAGAN  
 (shaking her head)  
 Nope.

Ellie sinks to the floor, curling into the fetal position and begins groaning loudly. Teagan walks into the kitchen. There is a body face down on the kitchen island with a lampshade on its head and a harmonica in its hand. This is ALIEN

TEAGAN  
 (nonchalantly)  
 Oh, this guy has it.

Ellie gets up and joins Teagan in the kitchen

ELLIE  
 (confused and slightly disgusted)  
 Ugh! Who even is this guy? And why was  
 he in my chimney?

Teagan gestures for Ellie to go get the harmonica from the body. Ellie walks over and tries to take it, but the hand clenches. The body lifts its head and rolls off the counter and hits the floor. Ellie backs up fearfully. The body stands up and takes the lampshade off its head to reveal its face. it stands and stares at the girls. Everyone is silent for a moment.

ELLIE  
 (suddenly)  
 KILL IT! KILL IT! KILL-

Teagan restrains Ellie from attacking the Alien

TEAGAN  
Woah woah woah!

INT. HOUSE - MORNING

Ellie and Teagan are sitting on the couch, Alien sits on the floor across from them, still cradling the harmonica. They stare at each other in silence. Ellie is holding a knife. Teagan notices the knife, takes it from Ellie's hand, and throws it across the room.

TEAGAN  
(whispering)  
Stop it. You're gonna scare him.

The stare-down continues. Teagan gingerly reaches over, index finger extended towards Alien. Alien reaches its finger up and touches Teagan's finger, but nothing happens. Teagan looks at Ellie with disappointment.

TEAGAN  
Goddammit I thought it would light up.

ELLIE  
I don't think we have those special effects.

TEAGAN  
Whatever, we have to keep it!

ELLIE  
Absolutely not. There is no way in hell this thing is staying. We're just gonna get the harmonica and call animal control or something.

Ellie reaches over to grab the harmonica. Alien recoils and pulls the harmonica closer to it. Ellie reaches again and Alien recoils again. Ellie sits back down and glares at Alien.

TEAGAN  
C'mon Ellie! This is an amazing discovery! Let's give it a chance. Hey, maybe it has powers or something. What if it can-

ELLIE  
(still staring at Alien)  
It's creeping me out how it's naked.

TEAGAN  
(turning to look at Alien)  
Yeah, that is a little creepy isn't it.

ELLIE  
(getting up)  
I'm gonna go get it some clothes. Make sure it doesn't touch anything.

Ellie goes upstairs.

TEAGAN  
(yelling up to Ellie)  
So does this mean we're keeping it?

Teagan looks over at Alien.

TEAGAN  
(casually)  
So, uh, what brings you to the neighborhood?

Alien says nothing, just stares at Teagan.

TEAGAN  
(yelling up to Ellie)  
I think it's deaf.

Trying to break the awkward silence, Teagan grabs the TV remote and turns on the TV. Alien turns to look at the TV as Teagan begins flipping through channels.

TEAGAN  
Let me know if you see anything good.

Alien lifts its hand up towards the TV. Suddenly, all the channels turn to static with a high pitched sound.

TEAGAN  
(amazed)  
Are you doing that? That's amazing!  
You're so cool!

Teagan slumps down on the couch and reaches for a cup next to her. Without looking she drink from it, then spits it back into the cup with disgust

TEAGAN

Yuck. I'm gonna get some orange juice.  
Hey, you've ever had that before, have  
you? Well buckle up my friend, your  
tastebuds are about to take a trip.

Teagan gets up and goes to the kitchen. She returns with a  
bottle of orange juice and two cups. At the same time, Ellie  
comes downstairs with clothes. They both see that Alien is no  
longer in the room, and notice that the front door is open.  
Teagan drops the orange juice in shock.

ELLIE

(screaming)

TEAGAN! I TOLD YOU TO WATCH IT!

TEAGAN

(trying to explain in a hurry)

I, I, I was I, I just left for a  
second I don't, I don't know how he  
got away.

ELLIE

(still screaming)

Did you tell it to stay?

TEAGAN

Well, no, but he knew what was up.

Ellie begins to pace back and forth frantically. She mumbles  
about the harmonica and her parents an getting in trouble.

ELLIE

(stopping to stand still)

Alright, well, we have to go find it.  
Let's go

Ellie grabs her car keys

TEAGAN

(with hands around mouth to  
amplify)

Whoot- whoot! Road trip!

INT. CAR

Ellie drives and Teagan sits in the passenger seat on her  
phone.

TEAGAN

Nope, no app for this. Bummer. Oh hey,

can you take a right up ahead into the McDonald's.

ELLIE

Why?

TEAGAN

The McRib is back.

ELLIE

We don't have time for a that right now. We have an alien on the loose with my dad's harmonica and last time you had the McRib we all know what happened-

TEAGAN

Please? It will take two seconds I promise.

ELLIE

(sighing)

Fine.

Ellie pulls into the McDonald's parking lot.

INT. MCDONALD'S

Ellie and Teagan walk towards the door with a bag of food. They pass by a table of people talking.

CUSTOMER 1

(to other customers at table)

Can you believe that green fella' had never had a McRib before?

Other customers laugh. Ellie and Teagan stop dead in their tracks and turn to the customers

TEAGAN

Did you say green?

CUSTOMER 1

Oh yeah, tall, skinny, real Scottish lookin'.

Ellie and Teagan look at each other confused. Ellie turns back to the customer.

ELLIE

Did you happen to see where it went?

CUSTOMER 1

He left just a few minutes ago out  
that door.

Ellie and Teagan look at each other, then sprint out the  
door.

EXT. SIDEWALK

Alien walks down the sidewalk holding a McRib. A car full of  
teenagers slows down by Alien and rolls down its windows.  
Student in the passenger seat punches the driver's arm and  
points at Alien.

STUDENT 1

(surprised, to his friend)  
Dude, look! That kid's eating a McRib!  
You didn't tell me it was back! And to  
think, man, we went to Chick-fil-A.

STUDENT 2

(to ALIEN)  
I am getting wicked nicey vibes from  
you, dude.

Student 2 points to the backseat, and Alien climbs through  
open window instead of opening the door. When he finally sits  
down in the backseat, the rap song playing on the radio  
immediately turns to the high pitched sound. The alien  
imitates this sound on the harmonica.

STUDENT 1

(confused)  
Duuuuudeeeee, did your McRib just  
change the station? Unreal.

STUDENT 2

(bobbing head to the music)  
Man, I've definitely heard this song  
before. I'm like ninety-nine percent  
sure this is the first thing I  
remember after being born. Unreal.

STUDENT 1

You remember being born?

STUDENT 2

It was insane, bro.

The car pulls off and Alien is seen cradling his McRib in the  
backseat, as well as the harmonica. The students in the front

seats are still jamming to the high pitched sound.

INT. CAR

Ellie and Teagan are pulled over on the side of the road. Ellie is nervously moving around in her seat, looking outside her window for any signs of the Alien while Teagan is scrolling on her phone.

TEAGAN

Some guy just sent the record for most McRibs eaten in a minute. Guess how many.

ELLIE

(annoyed)

Do you have any idea how much trouble we are in? Oh, wait, that's right, how much trouble I'M in. I'm screwed Teagan and you are doing nothing to help.

TEAGAN

(under her breath)

Forty-two.

ELLIE

I mean, My dad loves this harmonica more than me. He threw it a birthday party. You know what he did for my birthday this year?

TEAGAN

He let you play it?

ELLIE

I wish. He let me touch it, Teagan. Can you imagine what he is going to do when he finds out that an extra terrestrial being has taken it from the chimney during a house party that happened without his permission? Not to mention, there's going to be McRib sauce everywhere. Everywhere! That reed plate is going to be clogged with BBQ. Clogged!

While Ellie is ranting, Teagan is staring down wide-eyed at floor, zoning out. Suddenly a car flies past them with high pitched sound blaring from the radio through the open windows. Teagan awakens and immediately looks out the window

at the car.

TEAGAN  
Oh my god, drive!

ELLIE  
Were you listening to anything I just  
said?

TEAGAN  
That's him! That's the alien!

Ellie throws the car into drive and steps on the gas,  
throwing them both back in their seats.

TEAGAN  
Jesus, would you slow down?

ELLIE  
(yelling)  
I'm not letting them get away.

INT. CAR

Ellie is chasing down the teenagers car. They follow the car  
into the WHS parking lot and park next to it.

TEAGAN  
Why would would they be at the high  
school on a Saturday?

ELLIE  
They're...  
(suddenly confused)  
playing tennis?

The boys get out of the car with tennis rackets and headbands  
on and start walking towards the entrance to the tennis  
court.

TEAGAN  
This is...weird.

Teagan rolls down her window

TEAGAN  
(to students)  
Hey! Have you seen a tall green guy  
with a harmonica?

ELLIE

(screaming)  
WHERE IS IT? I KNOW YOU HAVE IT!

STUDENT 1  
Ah man! You talkin' about that  
Scottish dude?

TEAGAN  
...sure, whatever. Was he in the car  
with you?

STUDENT 1  
Ah man, he was. Saw him walkin' down  
the road with a McRib, and he was just  
pure vibin' with that thing, so we  
scooped him.

ELLIE  
WHERE IS IT???

STUDENT 1  
Bro, he sorta fell out the window mid-  
U-turn, so I don't really know. But it  
looked like he was headin' towards the  
park.

ELLIE  
Son of a -

TEAGAN  
Wait, if he's not with you, why were  
you listening to that high pitched  
sound?

STUDENT 1  
Oh that dude's music, stuff's legit!  
Majorly trippy. They got some unreal  
stuff up there in Scotland.

STUDENT 2  
Unreal man.

Ellie screams and bangs her head on the steering wheel,  
sounding the horn. Teagan reaches across her and rolls up the  
window.

TEAGAN  
(to students)  
Okay thanks!

Ellie and Teagan's car drives out of the parking lot.

Students 1 and 2 join others on tennis court

STUDENT 1

(yelling)

Alright boys, before we break out into doubles, let's practice our groundstrokes and inside-out forehands.

(aggressively)

I WANT TO SEE TOP SPIN!

EXT. PARK

Alien is sitting in tree. Camera cuts to Teagan running across the open field to the tree with open arms. The alien continues poking leaves in the tree, uninterested in Teagan. Teagan is shown, still running, not getting any closer to the Alien. The Alien still remains in the tree, now focused on Teagan. Teagan is once again in the same spot, running towards the tree. Alien falls out of tree onto it's back and suddenly Teagan is at its side, kneeling down next to it.

TEAGAN

Oh my god, are you okay? Are you hurt?

Ellie appears standing next to them, not amused by Teagan's feelings for the alien.

ELLIE

Would you knock it off?

(to Alien)

Where is it? Where is the Rob Zombie harmonica?

TEAGAN

Can't you see he's hurt? He could have a concussion! Again, Zombie never played the harmonica.

Ellie picks up Alien's hands, its fingers are covered in barbecue. No harmonica in sight.

ELLIE

You lost it? How could you lose it? I can't believe this is happening to me!

TEAGAN

Relax, everything's going to be fine.

ELLIE

(furiously)

Everything is NOT fine! And it's all your fault too! None of this would have happened if we didn't have that stupid party, which you made me host! This always happens! You get to have fun and I'm stuck cleaning up your messes!

TEAGAN

You're being selfish! Everyone at that party had fun except you. It's not my fault you are socially awkward and don't know how to have a good time. I'm just trying to help you let loose!

ELLIE

Yeah, cause all of this (motioning towards the Alien still lying lifelessly on the ground) is super helpful! And don't try to use helping me as an excuse when you couldn't care less about anyone else but yourself!

TEAGAN

Well we wouldn't even be fighting right now if you weren't such a wet blanket!

Ellie gasps and brings her hand up to her gaping mouth. Teagan quickly regrets what she said.

TEAGAN

Ellie, wait. I'm sorry, okay? You know how I get when I've had too much sodium.

ELLIE

Whatever. Let's just go back to the tennis courts and see if those guys know anything about the harmonica.

Ellie storms off while Teagan helps the Alien up from the ground. The Alien jumps on Teagan's back and Teagan carries him to the car.

INT. CAR

Ellie is crying while driving, with Alien in the front seat. Rob Zombie is blasting through the car radio. Teagan is

sitting in the middle of the backseat, arms crossed, staring out the window.

TEAGAN  
 (rolling eyes)  
 I said I was sorry.

The Alien switches the channel to another high pitched sound on the car radio. Ellie swats its hand away.

ELLIE  
 Would you stop that?

EXT. TENNIS COURTS

Ellie's car pulls up to the tennis courts. The boys are still playing, grunting every time they hit the ball. The Alien hops out through the back window and climbs to the top of the car, hugging its legs when it sits. Ellie and Teagan get out of the car as well. Teagan spots the harmonica in the backseat.

TEAGAN  
 Look, there it is!  
 (yelling to the boys)  
 Hey guys! Can you unlock your car?

The players pay no attention to Teagan, and continue playing their intense game.

ELLIE  
 Oh come on!

TEAGAN  
 Let's just go through the sun roof.  
 It's open.

ELLIE  
 I'm not breaking into a car.

TEAGAN  
 ... I'll do it.

ELLIE  
 (touched)  
 You would do that for me? You always said you drew the line at breaking and entering a vehicle.

TEAGAN  
 I know I did. Listen, I'm sorry I said

you were a wet blanket, alright? Like I said, too much sodium. I'm going to clean up this mess.

ELLIE

I'm sorry too. You're not irresponsible by the way.

Teagan is already climbing into the sunroof while Ellie is talking.

TEAGAN

I am, but thank you.

A full, wide shot is shown of the Alien perched on top of Ellie's car. Ellie's looking around making sure the boys don't notice, while Teagan's legs are disappearing into the car. The boys are still grunting, oblivious to the girls breaking into their car. All of the sudden, Teagan's hand gripping the harmonica is shown coming through the sun roof with dramatic music. Ellie takes the harmonica and puts it in her jacket pocket.

ELLIE

Thank you, lord.

Teagan struggles to get out of the sunroof, so Ellie attempts to help her. They struggle for about half a minute, while the the boys are still grunting. Ellie and Teagan high five and drive off, the Alien still sitting on top of the car.

EXT. DRIVEWAY

Ellie parks her car at the house. Ellie and Teagan get out of the car and walk inside. Alien rolls off the roof of the car.

INT. HOUSE

Ellie is sitting at kitchen island cleaning the harmonica with a Q-tip. Teagan is sitting next to her eating a sandwich. Alien is sitting next to Teagan just staring straight ahead.

ELLIE

(quietly, while cleaning harmonica)  
God, there are Mcchunks in every comb slot!

Teagan looks at her watch.

TEAGAN

OO! Judge Judy is on!

Teagan grabs the harmonica from Ellie.

ELLIE

I'm not done with that!

TEAGAN

It's as good as it's gonna get. I'll put this away, you get the TV on.

Teagan runs up the stairs with the harmonica while Ellie goes into the living room and turns the TV on. A breaking news report comes onto the screen. Alien is seated next to her, a little too close for comfort. Ellie gives it a shove.

NEWS REPORTER

Attention citizens. Area 51 has officially been broken into. Thousand of aliens, likely hailed from Scotland, are now making their way across the United States. It is crucial that you lock your doors and stay inside until they have been removed from the premises. I'm now getting word that the McRib is being temporarily discontinued until this problem is resolved in order to limit people's temptations to leave their homes.

ELLIE

Teagan? You might want to get in here.

Teagan comes in from the kitchen and sits down next to Ellie on the couch, confused by the breaking news report. The alien remains motionless.

NEWS REPORTER

Beware of any high pitched sounds, as that is the extra terrestrials' new way of communication.

Suddenly, the DOOR BELL rings. Ellie and Teagan immediately look at each other in fear. Teagan opens the front door to find another alien holding up his hand at them. Teagan is amazed, but Ellie is deeply disturbed. The alien is unfazed.

ELLIE

I need my inhaler. (walking out of

shot)

TEAGAN

Look, it's a new friend! You guys look just like each other.

The aliens exchange blank glances.

TEAGAN

Wait. So when you played those high pitch noises you weren't being weird, you were just trying to talk to your friends! You... are so brave. And that harmonica was just your way of playing your own high pitched sounds! That's adorable.

Ellie walks back into frame.

ELLIE

We need to get it outside right now!

Teagan looks very upset. Ellie walks over and puts her hand on Teagan's shoulder.

ELLIE

If you love something, you have to let it go.

Teagan sighs and nods. She holds up her index finger once more, causing Alien to do the same. When they touch, the Alien's finger lights up.

TEAGAN

I knew we had those special effects!

They drop their hands down, and Teagan hugs the alien. The alien does not like this at all, but does nothing to stop Teagan.

TEAGAN

(still hugging the alien)  
You're a lot slimier than I thought you would be.

Teagan releases and motions to the open front door with wide open arms.

TEAGAN

Be free!

The second Alien walks in the opposite direction, into the house. Alien follows him, and they make their way to the basement, and close the door behind them.

TEAGAN

Okay. This is bad.

Ellie and Teagan go to the basement door and open it to hear loud party music playing. The basement is filled with aliens having a party.

ELLIE

Nope! Done! I gotta go protect the harmonica.

Ellie storms away. Teagan chases after her.

TEAGAN

(Yelling in distance)

Don't worry I hid it somewhere way better this time!

An alien walks around the corner with the harmonica in its hand.

THE END
