FADE IN

EXT. STREET - DAY

Two girls are booking it down a street, backpacks on back. They are both looking behind each other nervously. One of the girls is wearing flip flops and they fly off as she is running. This is JEN. The other girl, with her hood up is SYD.

INT. CLASSROOM - DAY

One kid, sitting in his desk fidgeting uncontrollably. He clearly forgot to take his ADHD medication. This is CAM. He is looking around the room, doing anything but paying attention. He stares out the window. From the window he can see Syd and Kyle running. His hand shoots into the air, waving it about crazily, trying to get the TEACHER'S attention.

CAM

Mr. Alan! Mr. Alan!! There's students!  
I can see them!

Mr. Alan looks at Cam with an aggravated look on his face.

MR. ALAN

Of course there are students Cam,  
they're everywhere, now write your step  
outline.

Cam raises his hand again.

MR. ALAN

What is it now Cam?

CAM

They're outside! And they're running!

MR. ALAN

WHAT?!

Mr Alan runs over to the window and looks where Cam is pointing. He goes wide eyed. He runs over to the phone and dials.

MR. ALAN

Steve, we've got runners.

INT. MAIN LOBBY - DAY

Syd and Jen walk out of the A.P.'s office with pink slips in hand. They look down at the slips then back and each other.

SYD

This is ridiculous. 10 hours!? I swore we were in the clear.

JEN

My mom is gonna kill me. Second week into freshman year!

SYD

Someone had to have ratted us out. We need to get them back...

INT. CLASSROOM - DAY

Cam is sitting at his desk talking with a STUDENT next to him.

CAM

...then Mr. Alan called Mr. Imbusch and they got 'em!

STUDENT

I heard about that man! I heard those girls are pissed. Supposedly they know it was you, are you worried?

CAM

Ha! Scared of freshman girls? I think not. I'm a senior, they're below me...

INT. HALLWAY - DAY

Cam is strutting down the hallway whistling. Syd appears in front of him suddenly. Cam goes to move around her left side but she steps left as well, blocking his way. He goes to the right, once again, she steps to the right.

CAM

Excuse me! Sheesh. Who do you think you are? You're just freshman! You can't touch me.

Cam goes to push Syd out of the way when Jen's hand falls on his shoulder from behind him. She spins him around and looks at him and smiles.

JEN

Nobody rats us out.

Jen kicks him in the shin. Cam lifts up his leg and ups around on one foot in pain. Syd puts her hand on Cam's shoulder from behind and spins him around AGAIN.

SYD

Oh and you're not excused.

Syd punches him in the gut causing him to bend over and grunt. Syd and Jen walk away from Cam.

MONTAGE - GIRLS TORMENTING CAM

-Cam is walking down the hall and tripped by the girls, he falls flat on his face.

-Cam is walking to his table with his plate in hand, the girls walk by and knock his plate, spilling his pasta all over his shirt. He yelps.

-Cam sits down in a class and goes to open his bag. When he opens it he finds it filled with school pasta. He yells an expletive and is scolded by the teacher

-Cam is at his locker and as he opens it a spring loaded boot flies out and hits him in the crotch, as he bends over in pain, another spring loaded boxing glove hits him square in the face. Cam starts whining in pain.

END MONTAGE

INT. HALLWAY - DAY

Cam is walking down a crowded hallway looking over his shoulder anxiously. He looks like he is on the brink of tears. Syd walks up to Cam, Cam jumps back in fear.

SYD

Woah, woah. Don't worry we feel that you have gone through enough torment. Truce?

CAM

Uh....ok....

Cam hands out a shaky hand to shake, just at that moment, Jen comes up from behind Cam and pulls down his pants, revealing his Spongebob Tighty whiteys.

All the kids in the hallway point and laugh at Cam who has turned bright red in embarrassment. He starts to waddle away but trips and falls over his own pants.

The kids burst out into more laughter. Cam pulls up his pants and sprints down the hallway crying.

INT. MAIN LOBBY - DAY

Cam bursts into the main lobby yelling in a girly voice, with tears running down his face. He bursts out the front door and proceeds down the front stairs.

Syd and Jen follow him and stop at the main entrance. They're both laughing hysterically. MR. IMBUSCH walks into the main lobby and looks at the girls with a confused face.

MR. IMBUSCH

Girls, what are you doing?

JEN

Oh Mr. Imbusch, thank god you're here!

SYD

We've got a runner...

They point outside to where Cam is sprinting across the street. Mr. Imbusch looks out to where they are pointing.

MR. IMBUSCH

Busted.

FADE OUT
